MEMORANDUM FOR THE RECORD

SUBJECT: Bills Introduced in Congress That May
Impact the Agency

1. Attached for your review are Bills that, if enacted, would appear to impact the Agency and its employees. S. 1900 would require the Executive Branch to enforce applicable equal employment opportunity laws and directives so as to promote pay equity. H.R. 3984 would prohibit employment in civil service positions in the Executive Branch of any individual required to register under the military Selective Service Act who has not so registered.

2. While we have no present indication that either Bill will succeed to enactment, we will continue to follow their legislative progress and report on same as appropriate.
